A Message from **Mr Lavin** Headteacher

As we reach the end of our first half term, I want to take a moment to reflect on what a wonderful start to the school year we have had at St Stephen's! It has been a busy, exciting and incredibly rewarding few weeks, filled with learning, laughter, celebrations and so many opportunities for our children to shine. I am immensely proud of everything our children have achieved since September and the enthusiasm, kindness and determination they bring to school each day.

Throughout this half term, we have continued to live out our mission of *"Love one another, as I have loved you"* and our CARES values. Whether through our wonderful class assemblies, sporting achievements, spiritual retreats, fundraising events or simply the everyday acts of kindness we see around school, our children continue to demonstrate what makes St Stephen's such a special community. We have also continued to develop our school environment and our provision for children, ensuring that St Stephen's remains a place where every child feels a genuine sense of belonging, inclusion and the opportunity to flourish. There is so much to look forward to as we move into the next half term!

Thank You for Attending Parents' Evening

A huge thank you to all the parents and carers who attended our Parents' Evenings last night. The partnership between home and school is incredibly important, and your continued support makes such a difference. Working together, we can ensure that every child receives the encouragement, opportunities and support they need to succeed. If you were unable to attend, please reach out to your child's teacher for an update.

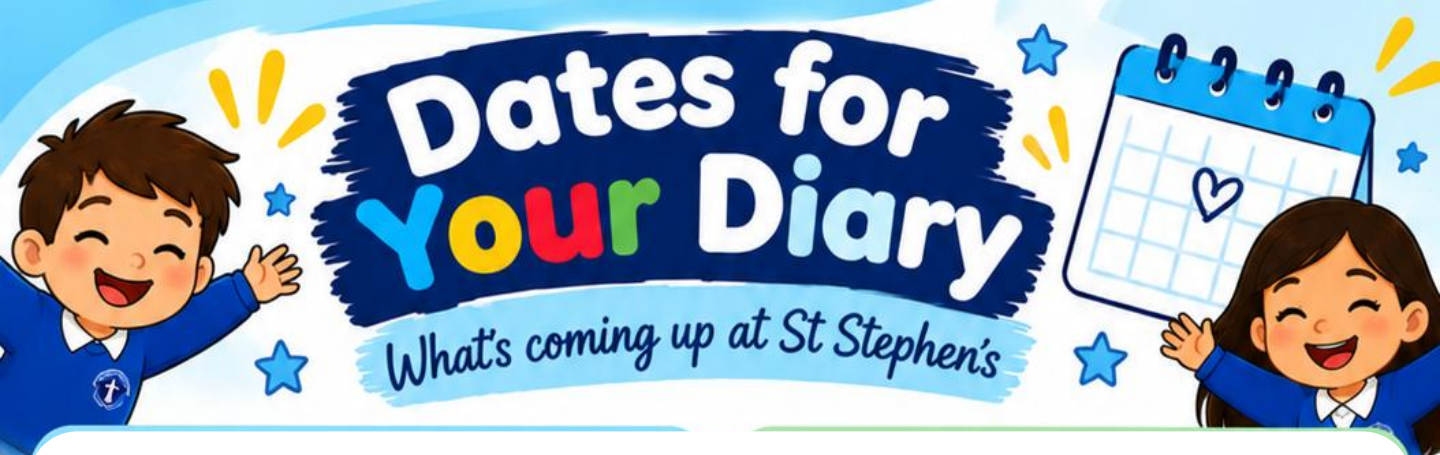

Thank You to Our Wonderful School Community

I would also like to take this opportunity to thank our fantastic staff team for their hard work, dedication and commitment throughout this first half term. So much goes on behind the scenes to ensure our children have the very best experiences, and I am incredibly grateful for everything they do.

I would like to wish all our children, families and staff a wonderful, restful and enjoyable break. I hope you all have the opportunity to spend some precious time together, make happy memories and recharge your batteries after such a busy start to the academic year.

We look forward to welcoming all children back to school on Monday 2nd November 2026, ready for another exciting half term filled with learning, celebrations and new opportunities.

Thank you once again for being part of our St Stephen's family.
Mr Lavin, Headteacher

Week Beginning 2nd November 2026

Date	Event

Faith ♥ Friendship ♥ Service

Heart to Heart with Fr Callistus: Whose image do we carry?

In this Sunday's Gospel, Jesus asks a simple question when He is shown a coin: "Whose image is this?" When they answer, "Caesar's," He tells them to give to Caesar what belongs to Caesar, and to God what belongs to God. (Matt. 22:15-21). This got me thinking. If the coin carries Caesar's image, whose image do we carry? We are made in the image of God.

I think this is something worth remembering, especially in the way we treat one another. At home, at school, at work, and even when we are frustrated, the person standing before us is someone created by God. As parents and teachers, we have a big role in helping children understand this. They need to learn that every person deserves respect, not because they are popular, clever, or always well behaved, but because they have dignity.

So, this week, perhaps we can ask ourselves a simple question before we speak or act: Am I treating this person in a way that reflects the God whose image we carry? It is a small question, but it could make a difference in our homes, our school and our wider community. God bless our children, families and teachers.

A brighter
world together

Caritas Award

This week our Caritas award is going to Sayo in Year 4. She showed great compassion when her friend fell over.

Wednesday 14th October 2026

Dear Parents and Carers,

In this Sunday's Gospel, Jesus' enemies are plotting his downfall and try to trick him with a devious question about paying taxes.

If Jesus says they should pay, it means that he accepts the Roman Emperor, and not God, as his ultimate boss. If he says they shouldn't pay, he can be attacked for being disloyal to the Roman Empire. But then Jesus follows up with a real clincher: 'Pay to the Emperor what is due to the Emperor and pay to God what is due to God!'

This Gospel story also asks us: 'What is due to God in our own lives?' Surely 'our gratitude' would be a good answer to this question. Being grateful to God brings great joy. There are many blessings in life - let's not just take them for granted.

Being more grateful for our blessings can make a real difference to our lives! Enjoy exploring this Wednesday's word which is **GRATITUDE**.

Dom Henry Wansbrough

A Word from
the Saints

"In all created things recognise the care and wisdom of God, and give him thanks." St Teresa of Avila

THE GOSPEL IN CHURCH Sunday 18th October 2026

The Pharisees devised a plan to trap Jesus. They sent some of their followers who said to him, "Teacher, we know that you are an honest man and teach God's way with honesty. We also know that you are not afraid of anybody: someone's rank means nothing to you. Tell us, then, what you think about this question. Is it right to pay tax to the Emperor Caesar or not?" Knowing what they were up to, Jesus said, "Why do you set this trap for me? Show me the money you pay the tax with." They handed him a coin. He said to them, "Whose head is on this coin, and whose name?" "Caesar's," they replied. "So then," he said to them, "give back to Caesar what belongs to Caesar - and to God what belongs to God."

**Good News
for Everyone**

'A grateful heart is a happy heart.' This Sunday's Gospel reminds us how we can live happier lives by giving God what is due to him: our gratitude! Being grateful to God puts us in the right frame of mind: it's good for our well-being and happiness too.

Good News for Families

TOGETHER TIME

1

READ & REFLECT! Listen & Learn with Jesus, the Word!

Some of the leaders of the people tried to trap Jesus and get him into trouble. They asked him, "Is it right to pay taxes to Caesar, the Emperor?" Knowing what they were up to, Jesus said, "Why are you trying to trap me? Show me the coin you use to pay taxes." They handed him a coin. He said to them, "Whose head is on this coin, and whose name?" "Caesar's," they replied. "So then," he said to them, "give back to Caesar what belongs to Caesar - and

What did Jesus tell the leaders to give to God?

Which word or words stood out for you in this Sunday's Gospel, and why? Spend a few relaxing moments pondering the picture together. Share any thoughts before moving on.

2

SHARE & CARE! Growing in Goodness & Love: This Wednesday's Word...

"The heart that knows how to say 'thank you' is a good heart, it is a heart that is content." Pope Francis (Pope from 2013-2025)

GRATITUDE

Regularly expressing gratitude (or saying 'thank you') to each other helps love to grow. Ask your child what the word 'gratitude' means to them. You may want to help your child understand what the word 'gratitude' means to you. Can your child remember a time when they felt really grateful to someone? How did they show their gratitude to that person? Each of you name one or two things (as well as your family) that you are most grateful to God for.

It is good for us to be grateful to God for the blessings of his love, for our lives, our talents, our families, our school and for the love of those around us. How do we show God that we are grateful? Who else will you remember to show gratitude to in these coming weeks? Perhaps a parent or carer, a family member, a teacher or a friend. How will you do this (e.g. with a hug, kind words, a thank you note, a prayer, a gift, or by offering help)?

3

Dear Lord Jesus, thank you for blessing us in so many ways. Help us to be always grateful to you and to show our gratitude by loving those around us. Amen.

Nursery

This week in Nursery, our book focus has been 'Room on the Broom'. We have loved listening to the story, discussing the characters and using story props to retell the main events. We have also revisited all the nursery rhymes we have learnt this term, with the children showing excellent recall and joining in enthusiastically! Our creative activities have included drawing pumpkins, making collages and painting. On Tuesday afternoon, we enjoyed a lovely visit to the school forest and allotment. We searched for the Gruffalo, talked about his distinctive features and created our own wonderful clay Gruffalos. We then explored the allotment and enjoyed seeing the chickens. What a wonderful first half term we have had at St Stephen's RC Nursery! The children have settled so well, made lovely friendships and made a fantastic start to their learning journey.

Thank you for your continued support.

We wish all our families a lovely half-term break!

Reception

This week, we have been innovating our *My Grandpa* story. The children have been using the original story as inspiration to create their own versions by changing parts of the story and developing their own ideas. We have enjoyed seeing their creativity and confidence grow as they become more familiar with the story structure.

In Maths, we have been exploring subitising numbers 1, 2 and 3. The children have been learning to recognise small quantities without needing to count each object individually. We have also been practising different ways to represent these numbers using objects, pictures and our fingers.

In RE, we have continued learning about Baptism. The children have been exploring what happens during a Baptism and have been sequencing the different stages of the celebration. We have been developing our understanding of the special symbols and actions used during this important sacrament.

BE READY • BE RESPECTFUL • BE SAFE

#teamststephens

Year 1

Learn ♥ Grow ♥ Belong

What an incredible end to our first half term in Year 1! We have loved seeing how much the children have grown in confidence and independence since September.

This week, we continued developing our independent writing skills in English, writing sentences inspired by *I Like It When....* In Maths, we explored decade numbers and counted forwards and backwards to 100, giving our brains a real workout!

We also enjoyed our first Forest School session, where we transferred our plants into the flower beds and explored the outdoor environment. The children particularly loved creating clay snails, linking beautifully to our art work on spirals.

It was also a pleasure to meet so many parents at Parents' Evening and celebrate the fantastic progress the children are making. Thank you for all your support at home. We really do see the difference it makes.

Have a wonderful half term break. We hope you all enjoy a well-earned rest, and we look forward to welcoming everyone back for Autumn 2, refreshed and ready for more learning!

Year 2

Be Positive ♥ Be Respectful ♥ Be Your Best

What a wonderful week of learning!

This week, the children have been learning how to use the conjunction 'and' in English and have been busy writing their own non-chronological reports all about the Great Fire of London.

They have also been bringing their History unit to a close by creating beautiful two-page spreads, summarising all the fantastic facts and knowledge they have learnt about the Great Fire of London. We are so proud of the effort and creativity they have shown!

In Maths, the children have completed their unit on addition and subtraction within 10, developing their number skills and confidence along the way.

We hope everyone has a lovely, relaxing half-term break! We can't wait to welcome the children back after the holidays, refreshed and ready for even more exciting learning and new adventures. 🌟

#teamststephens

Year 3

Curious ♥ Confident ♥ Capable

Kind
Brave
Inquisitive
Ready
♥

As we come to the end of the first half term of the academic year, Year 3 have had another busy yet enjoyable week. In Maths we have completed our place value unit and secured our understanding of adding and subtracting multiples of 10. In English we completed our unit on The Stone Age by writing a non-chronological report. We were very impressed with the children's use of coordinating conjunctions in their independent writing! In History, for our final lesson of the unit, we compared hunter-gatherers with early farmers and debated the positives and negatives of each. Most of us wanted to be early Stone Age farmers as we preferred the steady food sources from the farms! In RE, for our end of unit assessment, we wrote a letter to Mr Lavin, explaining to him how we could be stewards of creation and sow beauty in our world rather than destruction. For Fire Safety Week, we thought about how we could exit our homes with a safe escape route. Finally, we rounded off our week with a fabulous poetry reading with Joseph Coelho as part of the Manchester Literature Festival.

Question: Why should we buy fairtrade products in the supermarket?

Challenge ♥ Persevere ♥ Achieve

Year 4

Resilient
Thoughtful
Determined
Proud
♥

Year 4 have worked incredibly hard this week, and it was lovely to meet so many of you at parents' evening last night to celebrate how wonderfully well your children are getting on. In English, we completed our independent non-chronological reports about Tutankhamun, including subheadings, factual information and a range of simple, compound and complex sentences. The children have thoroughly enjoyed this unit, and their enthusiasm has really shone through in their writing! In Maths, we have extended our learning about measures, solving problems involving conversions and interpreting graphs and bar charts to gather information. The children should be very proud of their efforts! This afternoon, we took part in our Fire Safety Day, focusing on how to be safe, aware and prepared. The children responded with thoughtful observations and showed great maturity when discussing this important topic. In RE, we have explored how Abraham and his descendant Joseph demonstrated their faith, trust and love in God. The children then wrote diary entries from Joseph's perspective while he was in prison. Well done, Year 4, for another fantastic week – we hope you have a lovely and restful half term!

Question: If you hear the smoke alarm at home, what do you do?

#teamststephens

Year 5

Inspire ♥ Challenge ♥ Succeed

Brighter
Bolder
Kinder
Stronger
Together

They say time flies when you're having fun, and this term has certainly flown in Year 5! We are so proud of the children's first term in Year 5 and already, we have seen a huge improvement in their work, their maturity and their classroom routines. We look forward to building on this after half term!

In English, we have been writing our own Dogman narrative, with a focus on using direct speech.

The children have thoroughly enjoyed writing these!

In Maths, we have been adding and subtracting decimal numbers using the column method, and we have been rounding to the nearest tenth.

In R.E, we have completed our 'Creation and Covenant' unit, by looking at the cardinal and supernatural virtues.

We ended our week with our Fire Safety afternoon and we learnt about Sarah Parker Remond for Black History Month.

Question: What is 2.76 rounded to the nearest tenth?

Year 6

Believe ♥ Achieve ♥ Flourish

Ready
Respectful
Responsible
Role Models

What a fantastic first term it has been in Year 6! We are incredibly proud of the children, who have shown great maturity, independence, kindness and resilience. They have embraced new challenges with enthusiasm and worked hard to become confident, responsible members of our school community.

This week in English, the children have been writing non-chronological reports about children during the Second World War, applying their knowledge of formal language and colons to produce some fantastic writing. In maths, we have continued exploring decimals, developing our understanding and practicing our problem-solving skills.

In RE, we have been exploring the opening 16 verses of John's Gospel, sharing thoughtful interpretations and reflecting on John's message. Today, we also came together for a special whole-school Mass before learning about fire safety at home and how to create a household fire action plan.

Well done, Year 6, for such a brilliant start to the year! We are so proud of all you have achieved and look forward to another exciting term of learning.

What an amazing term we have had! The children have settled beautifully into our school routines and come in each day with such happiness, enthusiasm and growing confidence. We have had so much fun exploring our Gruffalo theme, getting messy with our woodland-inspired messy play and enjoying our exciting Forest School sessions, where the children have had wonderful opportunities to explore and discover the world around them. It has also been fantastic to see how much progress the children have made during our Bucket Time sessions, with their attention and concentration developing so well as they engage with the activities. We are especially proud to see the children growing in confidence during our music and movement sessions, happily dancing, joining in with our songs and copying the actions to their favourite dances. It has been a joy to watch their personalities shine, their confidence blossom and their love of learning grow. We are so proud of all they have achieved this term and look forward to another exciting term full of fun, exploration and special memories!

TLC Thrive

Believe ♥ Progress ♥ Thrive
